Question 1 (20 marks)

Alpha Athletic (AA) is an Australian sportswear and lifestyle brand based in NSW. Sales have grown significantly due to increased social engagement with the fitness community and the business catering to a range of athlete needs.

The business prides itself on offering innovative designs and materials in a sustainable way. Demand has now exceeded the business's operational capacity to meet current consumer orders. As a result, lead times for products are delayed.

Alpha Athletic (AA) has the set the following performance objectives for Black Friday and Christmas sales:

- Quality
- Speed
- Dependability

You have been hired as a consultant by the owner to write a business report.

In your report:

- Outline the role of operations management for this business.
- Discuss TWO influences that are impacting this business's operations processes.
- Recommend supply chain management and outsourcing operations strategies to meet this business's performance objectives.
