Business Extended Response

The student:

H1 critically analyses the role of business in Australia and globally

H2 evaluates management strategies in response to changes in internal and external influences

H3 discusses the social and ethical responsibilities of management

H4 analyses business functions and processes in large and global businesses

H5 explains management strategies and their impact on businesses

H6 evaluates the effectiveness of management in the performance of businesses

H7 plans and conducts investigations into contemporary business issues

H8 organises and evaluates information for actual and hypothetical business situations

H9 communicates business information, issues and concepts in appropriate formats

So where do extended responses come from?

Match outcome with the extended response
